

## **UPCOMING WEBINAR**

### **Integrating Maternal Health and Substance Use Disorder Services in Rural South Carolina**

This session will be a state-wide convening of South Carolina partners in the behavioral and maternal health field to discuss best practices related to substance use. Participants will gain insights on evidence-based strategies to prevent adverse outcomes associated with substance use and discuss the benefits of integrating substance use services in maternal health care. Featuring speakers from Health Resources and Services Administration (HRSA), the SC Office of Rural Health, Prisma Addiction Medicine, and the Magdalene Clinic.

#### **When:**

**Jan 9, 2023 / 11:00 AM in Eastern Time (US and Canada)**
